

Good cause exists for this request. Thus far, the parties have diligently engaged in discovery and developed a voluminous record. Moreover, the parties have set an agreed upon schedule for depositions of 22 witnesses. The additional week afforded by the Court would allow the parties to accomplish all the anticipated depositions and would not affect any of the other dates currently set. Thus, the modified discovery schedule and extension of deadlines requested herein are in the best interests of the parties, justice, and judicial economy, and no party will be prejudiced by granting this motion or the requested modifications and extensions.
